HELLO, WE ARE

AND WE EXIST TO END EXPLOITATION IN COCOA.

NOT JUST THE COCOA IN OUR CHOCOLATE, BUT IN ALL CHOCOLATE WORLDWIDE. THE MORE PEOPLE JOIN US AND SHARE OUR STORY, THE SOONER WE'LL CHANGE THE INDUSTRY, ENDING FORCED LABOUR, CHILD LABOUR AND DEFORESTATION IN COCOA. AIR ASIA'S CEO TONY (NO JOKE..!) DOESN'T WANT TO LEAVE US LONELY IN THIS COMMITMENT. THAT'S WHY AIRASIA HAS TEAMED UP WITH US TO JOIN OUR MISSION. THE WORLD NEEDS MORE TONY'S. WITH EVERY BITE YOU TAKE OF A TONY'S BAR, YOU'RE MAKING A DIFFERENCE. BECAUSE THIS ISN'T JUST CHOCOLATE, IT'S IMPACT. THE CHOICE IS YOURS. ARE YOU IN?

CRAZY ABOUT CHOCOLATE, SERIOUS ABOUT PEOPLE

TONY'S MILK CHOC CARAMEL SEA SALT 180G

This bar is to be taken seriously: milk chocolate filled with crunchy caramel and a hint of sea salt. It's the most popular bar in the Netherlands, and that's not because it's orange!

TONY'S MILK CHOC NOUGAT 180G

What's everyone buzzing about? It's our mellow yellow classic flavour, milk chocolate honey almond nougat. Creamy milk chocolate with bits of sticky, sweet nougat made from honey and almonds. We put it in bright yellow wrapping and voila. We have ourselves a full rainbow! We're kind of nuts like that. Nougat the joke?

TONY'S DARK CHOC ALMOND SEA SALT 180G

This dark chocolate bar has got it all: almonds and sea salt. A golden match! Pass the salt please..

TONY'S MILK CHOC HAZELNUT 180G

This is a perfect combo of 32% Fairtrade milk chocolate and a minimum of 10% hazelnuts. You probably already know that we hid a map of Western Africa in our unequally divided bar. We couldn't fit whole hazelnuts into the pieces that represent Togo and Benin! After a very heated debate, we completely and politically incorrectly combined two separate countries into one bigger

TONY'S DARK CHOCOLATE 70% 180G

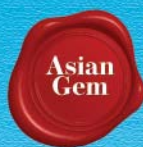

This bar contains at least 70% cocoa. Se-ven-ty! This means we use a lot of cocoa beans.. This dark chocolate delicacy is designed for the true chocolate lover.

made in the skies!"**

Your Guide to a Seamless Journey with AirAsia

Written by Shahin Azmi

Congratulations, You're On Board! Now that you've just settled into your seat, shall we start planning for your next trip? Perhaps some insider tips so you'll be packing smarter, gliding through airport lines, and enjoying a travel experience that's comfortable and stress-free. Discover how a few simple upgrades can help you fly with confidence.

Begin your journey with 7KG complimentary cabin baggage

our way of helping you travel light and hassle-free!

Why the 7KG Limit? For everyone's safety and comfort, we limit cabin bags to 7 kg, ensuring smoother boarding, easier access to overhead compartments, and a more pleasant journey for all.

Okay, now let's get to the fun part: ADD-ONS!

Extra Room with XTRA Carry-On

We get it, sometimes it's easier to just carry everything on board with you so you can keep your essentials close and avoid having to wait for your luggage. Our **XTRA Carry-On** option allows you to bring an additional 7 kg* in addition to your standard 7 kg carry-on— giving you the flexibility to carry more with you, even if it's just a short trip!

Travel Tip: Perfect for a quick 3-day getaway or for short-haul flights so you won't have to forgo all your meticulously planned outfits! Just a friendly heads-up: remember to keep your liquids under 100 mL per item.

Easy, Affordable Checked Baggage

Planning a shopping spree or an extended stay? We know you've got all your OOTDs planned, and with affordable checked baggage, you won't have to wear the same winter jacket throughout your trip. Feel and look on point throughout your holiday because you absolutely deserve it. Pre-booking your checked baggage gives you weight options between 15 kg and 60 kg, locking in the lowest rates so you won't have to pay full price at the airport.

Travel Tip: Bring along your full-sized toiletries and skincare essentials without the stress! With our checked baggage, there's no need to downsize your liquids. Pack freely, travel stress-free, and most importantly, enjoy your journey, your way.

*1 piece up to 10KG or 2 pieces up to 14KG, within permitted size.

EXTRA TIP: REMEMBER TO ALWAYS PURCHASE YOUR ADD - ONS DURING INITIAL FLIGHT BOOKING TO AVOID PAYING FULL PRICE AT THE AIRPORT!

Personalize Your Comfort with Seat Selection

Everyone knows that you can't start your journey without the mandatory 30,000 feet view. Whether it's a window view, aisle seat convenience or extra legroom you're after, Seat **Selection** lets you pick the perfect spot. From Hot Seats to Quiet Zones, experience picturesque views, extra legroom, ambient lighting and peaceful travels - all without the premium price tag.

Travel Tip: Booking your seat in advance is key, particularly on popular flights, to guarantee the comfort and view you want. Don't forget to scroll through posts from our previous guests on social media to get a lil' cheat sheet on which seats you should pick.

Skip the Queues with Fast Pass

What's one thing you dread about travelling? We bet it's the long airport waits and lines. If you can relate, we have exactly what you need. Breeze through check-in, immigration lines, and boarding with Fast Pass. Say goodbye to the queues and hello to more relaxation time before your flight! Perfect for tight schedules, this service even comes with an extra 7 kg* of cabin baggage allowance—because we know you've got essentials to bring along.

Travel Tip:

Keep your passport and boarding pass ready to breeze through each checkpoint.

Enjoy Delicious SANTAN Meals In Flight

What's the best way to kill time when you're on board? FEAST! Plus, you shouldn't have to drool over your seatmate's scrumptious meals or be tempted by the delicious aromas. That's why you have to try our **SANTAN Meals**, featuring a variety of local and international flavours crafted to satisfy any craving. Pre-book your affordable meal to guarantee availability and priority serving.

Travel Tip: Missed out on trying all the dishes on your food hunt list? No worries! Many of our flights feature localised menus, letting you savour authentic flavours that will turn your in-flight dining experience into a mini food adventure!

Travel Smart and Save with AirAsia

P.S: Remember to pre-book these travel essentials with your initial flight booking! Not only will you enjoy a smoother, more comfortable journey, but you'll also save up to 3X compared to airport counter prices-leaving you with more to spend on your adventure! Each choice helps you get the most out of your trip, from takeoff to touchdown, with ease and affordability. Choose wisely, and fly easy with AirAsia.
